RE: Santa Ana Wellness Center and Ball Fields

Mr. Taibbi

I wanted to take this opportunity to thank you for the excellent work your firm completed on the Santa Ana Wellness Center and Ball Fields project on the Santa Ana Pueblo in Bernalillo New Mexico. This 18.8 million dollar project was completed successfully, safely, on time and within budget with the assistance of your firm. Not only did your team perform above expectations, but you were able to identify potential issues early and communicate those to the construction team. Your ability to work closely with the construction team and owners have made this a great project.

We appreciate the team you assigned to this project and their efforts that supported the statements above. I look forward to working with your group again in the future.

Sincerely,
